## Student Internet Use Agreement 2010-2011

Internet resources can be a valuable part of a student's education. School Internet access is a privilege that may be authorized as well as withdrawn. Students are to be aware of and abide by the following:

### 1. **Student Personal Safety**

Personal contact information may not be entered on Internet sites open to public access. This includes student address, phone numbers, and personal e-mail addresses.

### 2. **Internet Use**

Students may use school Internet access, including e-mail, only for teacher-directed educational activities. Students may use school Internet access only when authorized, and only when supervised.

### 3. **Prohibited Computer Uses**

#### **Students may not:**

- Access or create files or materials without authorization
- Access or create offensive, profane, or pornographic files
- Play unsupervised Internet games
- Access MUD's (multi-user domains), IRC's or web chats
- Plagiarize works or violate copyrights or trademarks
- Damage, alter, or modify hardware or software
- Attempt to bypass computer security

### 4. **Expectation of Privacy**

Students do not have an expectation of privacy in files, disks, documents, e-mail, etc., which have been used or created with the School's equipment.

### 5. **Disciplinary Actions**

Disciplinary actions will be taken to meet the specific concerns related to violations of this agreement (e.g. loss of access to computers, suspension, law enforcement involvement, etc.).

***For further information, please contact your student's teacher or school Director
